Module Description:	This module focuses on giving the student the knowledge and skills that are required to apply many of the theoretical financial concepts they have learned to the practical business situations that they are likely to encounter in the hospitality sector.

Module Learning Outcome	
On successful completion of this module the learner will be able to:	
#	Module Learning Outcome Description
MLO1	Examine the role of the financial manager
MLO2	Assess the importance of effective working capital management
MLO3	Recommend the appropriate sources of finance for each company situation
MLO4	Evaluate capital investment projects using several different methods
MLO5	Appraise the role played by proper financial planning and control in the organisation of events
Pre-requisite learning	
<b>Module Recommendations</b> <i>This is prior learning (or a practical skill) that is strongly recommended before enrolment in this module. You may enrol in this module if you have not acquired the recommended learning but you will have considerable difficulty in passing (i.e. achieving the learning outcomes of) the module. While the prior learning is expressed as named DkIT module(s) it also allows for learning (in another module or modules) which is equivalent to the learning specified in the named module(s).</i>	
No recommendations listed
