Module Description:	no description provided

Module Learning Outcome	
On successful completion of this module the learner will be able to:	
#	**Module Learning Outcome Description**
MLO1	Explore fully ethical practice in a youth work setting.
MLO2	Analyse the benefits and issues arising from the development of Youth Work as a formal profession, including the development of a formal code of ethics.
MLO3	Develop and implement policy, procedures and practices necessary to maintain a healthy and safe youth work environment.
MLO4	Evaluate the inclusion of risk as an integral part of a effective youth work process.

Pre-requisite learning
Module Recommendations *This is prior learning (or a practical skill) that is strongly recommended before enrolment in this module. You may enrol in this module if you have not acquired the recommended learning but you will have considerable difficulty in passing (i.e. achieving the learning outcomes of) the module. While the prior learning is expressed as named DkIT module(s) it also allows for learning (in another module or modules) which is equivalent to the learning specified in the named module(s).*
No recommendations listed

Module Indicative Content
Ethics in Youth Work Explore ethical practice working with young people in a youth work setting.
Implementation To look at practical implementation of 'risk assessment' processes in the youth work environment.
Analysis of current government policy Critically evaluate policy and legislation around the prevention, identification and reporting of child protection issues. Duty of Care legislation.
Identification and Recording Identification, assessment of potential hazards and levels of risk. Proactive responses to same. Importance and process of recording information for best practice.
